Junction of Orchard Street and Weir Street, Falkirk

Open Especially for You

Are You Stressed ?

Worried About Something ?

**Need a Place of Peace and Quiet
to Think or Pray ?**

We warmly invite you to come inside our church Sanctuary, take a seat and enjoy the peaceful atmosphere. Come and go as you please.

There are church members available who will listen if you would like to chat. We would love to pray for you in confidence if you so wish. We believe that Jesus answers our prayers and that still today, He has the power to heal the sick and to bless all who come to Him in faith.

"Come to me all who are weary and burdened and I will give you rest"

Matthew 11 v 28
